

Community support from Firmenich UK

'Babes in the Woodland' fairy theme

GBG VOLUNTEER SESSIONS NEXT WEEKEND

- Sat 31 October 10 til 12 noon
- Sun 01 November 10 til 12 noon

We really need help to prepare the GBG site for winter and continue the fantastic work started by Firmenich UK community team. Lots of jobs for all abilities. Please bring gloves, sturdy footwear and own gardening tools if possible. We'll supply the coffee and choccie biscuits! Any time you can spare will be a bonus, thanks.

LOTS OF THANKS....

On 1st October, we welcomed 14 volunteers from Firmenich UK and we had a hugely productive and enjoyable day. The team cleared most of the raised bed area and laid membrane and woodchip; the boundary fence was raised to deter deer during winter; pergola was completed; five trees planted in new orchard area; weeds cleared and another raised bed built. Just fantastic...huge thanks to Anna who helped to organise this event.

Thanks to all those who donated raffle prizes and came along to support GBG at The Star Pub Quiz on 6th October. We raised a massive £153.

Nicky and her 'Babes in the Woodland' children have designed and created a new raised bed. The children decided on a 'Fairy Garden' theme and have come up with lovely ideas.

Thanks to the Sunday School who have added their mosaic designs to the GBG mural.

We now look forward to lots of creative designs for our iron totem pole from our school children. Thanks to Martin Adamson, Head, for supporting this GBG design project.

Any ideas or questions, please contact by email or Lynette, 39 Wood Street Mob: 07553 482907
